History is happening around us all the time! Perhaps you could tell others about one of the heroes of our times: a doctor, a nurse, a paramedic, or a shop assistant? Maybe you yourself sew masks?

These are the perfect stories for our campaign.

We will choose the most interesting story and share it on our social media profiles.

Because history is written together...

AN ONLINE CONTEST FOR THE MOST BEAUTIFUL EMAUS TREE!

bit.ly/DrzewkoEmausoweOnline

In response to the calls from the citizens of Krakow and all of the fans of handicrafts and the Zwierzyniec House, we decided to go online with the contest for the most beautiful Emaus tree.

How to take part

- 1) By noon on the 4th of March, you need to make a photo of an Emaus tree you made and send it (together with your full name) to zwierzyniec@muzeumkrakowa.pl. Please make sure that the title of the e-mail reads "Drzewko na konkurs" ("Contest tree"). You also need to attach the representations available for download from our website: bit.ly/DrzewkoEmausoweOnline
- 2) We will publish the received photos in an album on our fanpage and all of them will take part in the contest, with voting taking place on the [Facebook Page of the Zwierzyniec House](#).
- 3) Voting starts on the 5th of April at midnight! You can vote with likes, hearts, and smileys. :) Voting will continue until Easter Sunday (i.e. the 12th of April, 11:59 p.m.). Then, the votes will be counted. On the 13th of April, at noon, the winners will be announced. The three first places will receive prizes from the Museum. The method of handing over the prizes will be specified on our profile and on our website.
